

Current Checking account balance is \$ 15,326.38.

CD 1 matures on 07-21-2024 with a balance of \$ 30,344.26.

CD 2 matures on 10-21-2024 with a current balance of \$ 15,000.00.

Current 5/3rd Bank CD rates are:

5.02% for a 7-month CD, \$ 5,000 minimum.

4.40% for a 12-month CD, \$ 5,000 minimum.

Recommendation:

Leave Checking account as is. There are sufficient funds for monthly expenses and any library requests until the next CD matures on 10-21-2024.

When CD 1 matures on 07-21-2024, rollover this \$ 30,000 CD at the current rate of 5.02% for 7 months or latest 5/3rd Bank CD rates available around 07-21-2024, to increase interest income. The new CD mature date would be 01-21-2025.

Reduce CD rollover signature requirements to just one or two. 5/3rd Bank now requires in-person attendance to sign all paperwork at time of rollover. This may be difficult due to weather, work schedules or other commitments.
